The Decennial Census is the official count of everyone who lives in the United States. For the years in between Decennial Censuses, the official population counts come from the Population Estimates Program of the U.S. Census Bureau.

For more information on data from the 2010 Decennial Census, see the publication:
The 2010 Census: New Decade, New Data on the Kentucky: By The Numbers website.

The Kentucky: By the Numbers Data Series provides county profiles developed to support local decision making. The entire series is available at <http://www.ca.uky.edu/snarl>.
