Part of having 21<sup>st</sup> century skills for a 21<sup>st</sup> century world means being able to find and use data that are widely available online. This issue of the **Kentucky: By The Numbers Data Series** is designed to provide a data-based overview for each county in Kentucky and information on some of the available data sources.

Additional data and other resources are available on the **Kentucky: By The Numbers Program** website.

The Kentucky: By The Numbers Program provides resources, training, and assistance in finding and using publicly available secondary data. Data, brief publications, and other resources are available at: <http://www.ca.uky.edu/snarl>
