

Those serving in the military (Active Duty, Reserve or National Guard) can be found in nearly every county in the state. This issue of Kentucky: By The Numbers is in conjunction with the **Kentucky Extension Military Collaborative**. With funding from the UK Engage initiative, the Extension Military Collaborative is designed to increase awareness of the University's military engagement across the Commonwealth through developing a multidisciplinary statewide collaborative. <https://extension.ca.uky.edu/military>

For more info, contact: Nichole Huff, PhD, CFLE, University of Kentucky: nichole.huff@uky.edu
