

KENTUCKY: BY THE NUMBERS

~ Aging and Families ~

Adair County

Sam Quick, Julie N. Zimmerman, Nicole Breazeale, and Peter Hesseldenz
Rural and Economic Development Programs, Rural Sociology

University of Kentucky, College of Agriculture

October, 2001

While most householders 65+ are either married or live alone, there are also several other types of family arrangements. This data sheet is one of four which provides information on aging from the 2000 Census.

Access to these county data sheets, along with a wide range of aging-related information, can be found online at <http://www.ca.uky.edu/fcs/aging>.

“Kentucky: By the Numbers” provides county level data on a variety of topics. The entire series is available at <http://www.ca.uky.edu/snarl>.

	<u>County</u>	<u>State</u>
Number of Households where the Householder is 65+ (2000)	1,757	335,887
<u>Family Households</u>		
Number of Households where the Householder is 65+ and is part of a <u>Married Couple</u> (2000)	666	138,345
<i>Percent of Households where the Householder is 65+ and is part of a <u>Married Couple</u> (2000)</i>	37.9%	41.2%
<u>Other Family Households</u>		
Number of Households where the Householder is 65+ and is <u>Male</u> , no Wife present (2000)	32	6,987
<i>Percent of Households where the Householder is 65+ and is <u>Male</u>, no Wife present (2000)</i>	1.8%	2.1%
Number of Households where the Householder is 65+ and is <u>Female</u> , no Husband present (2000)	157	29,955
<i>Percent of Households where the Householder is 65+ and is <u>Female</u>, no Husband present (2000)</i>	8.9%	8.9%
<u>NonFamily Households</u>		
Number of Households where the Householder is 65+ and <u>Lives Alone</u> (2000)	880	155,914
<i>Percent of Households where the Householder is 65 + and <u>Lives Alone</u> (2000)</i>	50.1%	46.6%
Number of Households where the Householder is 65+ Living with Non-relatives (i.e., friends, caregivers, etc.) (2000)	22	4,686

While most householders 65+ are either married or live alone, there are also several other types of family arrangements. This data sheet is one of four which provides information on aging from the 2000 Census.

Access to these county data sheets, along with a wide range of aging-related information, can be found online at <http://www.ca.uky.edu/fcs/aging>.

“Kentucky: By the Numbers” provides county level data on a variety of topics. The entire series is available at <http://www.ca.uky.edu/snarl>.

	<u>County</u>	<u>State</u>
Number of Households where the Householder is 65+ (2000)	638	335,887
<u>Family Households</u>		
Number of Households where the Householder is 65+ and is part of a <u>Married Couple</u> (2000)	296	138,345
<i>Percent of Households where the Householder is 65+ and is part of a <u>Married Couple</u> (2000)</i>	46.4%	41.2%
<u>Other Family Households</u>		
Number of Households where the Householder is 65+ and is <u>Male</u> , no Wife present (2000)	8	6,987
<i>Percent of Households where the Householder is 65+ and is <u>Male</u>, no Wife present (2000)</i>	1.3%	2.1%
Number of Households where the Householder is 65+ and is <u>Female</u> , no Husband present (2000)	43	29,955
<i>Percent of Households where the Householder is 65+ and is <u>Female</u>, no Husband present (2000)</i>	6.7%	8.9%
<u>NonFamily Households</u>		
Number of Households where the Householder is 65+ and <u>Lives Alone</u> (2000)	289	155,914
<i>Percent of Households where the Householder is 65 + and <u>Lives Alone</u> (2000)</i>	45.3%	46.6%
Number of Households where the Householder is 65+ Living with Non-relatives (i.e., friends, caregivers, etc.) (2000)	2	4,686

SEED (Social and Economic Education for Development) is a program of the Kentucky Cooperative Extension Service at the University of Kentucky. Faculty draw on the resources of the Social and Natural Resources Information Laboratory and professional contacts at the University of Kentucky, other agencies, and community programs throughout the country. For more information contact your local Cooperative Extension office or Dr. Richard C. Maurer, SEED, 500 Garrigus Building, University of Kentucky, Lexington, KY 40546 or call (859) 257-7582.

Educational programs of the Kentucky Cooperative Extension Service serves all people regardless of race, color, age, sex, religion, disability, or national origin.
