Julie N. Zimmerman and Cameron McAlister. June 2019. Kentucky: By The Numbers is a program in the Department of Community and Leadership Development and the Kentucky Cooperative Extension Service at the University of Kentucky. For more information contact your local Cooperative Extension office or Dr. Julie N. Zimmerman. Professor of Rural Sociology. Department of Community and Leadership Development, 500 Garrigus Building, University of Kentucky, Lexington, KY 40546-0215. email: jzimm@uky.edu.

Tables of selected data from the County Data Profiles for the Community Assessments conducted by the University of Kentucky's Cooperative Extension Service are provided for each Extension District by the Kentucky: By The Numbers program in the Department of Community and Leadership Development. These secondary data supplement the survey, focus groups, and key informant interviews conducted in each county across the state through the County Extension Offices and coordinated by the Community and Economic Development Initiative of Kentucky (CEDIK).

The overall goals for the Community Assessments are:

- To gain a better understanding of the county's pressing issues;

- To provide a statewide view of how top issues are distributed across the state.

For more information on the Community Assessment process, visit https://extension.ca.uky.edu/communityassessment For additional data or other data-related assistance, contact: Dr. Julie N. Zimmerman (jzimm@uky.edu)
