The population in Kentucky, like the nation overall, is growing more and more diverse. To help in understanding diversity in our communities, a multi-part series of Kentucky: By The Numbers was created to provide detailed data on race and ethnicity for all counties in Kentucky and the state.

This issue provides the Census Bureau’s 2019 Population Estimates for age groupings from youth to aging by race and ethnicity.

The complete set is available on the Kentucky: By The Numbers website at <http://kybtn.ca.uky.edu>
