With the current economic situation impacting many Kentucky communities, this issue of Kentucky: By The Numbers highlights the most recent county-level data on poverty and median household income.

Every year, the U.S. Census Bureau provides poverty and median household income estimates for counties and school districts. These data can be found in the Small Area Income and Poverty Estimates (SAIPE) program at <http://www.census.gov//did/www/saipe/>

The Kentucky: By The Numbers Data Series provides county profiles developed to support local decision making. The entire series is available at <http://www.ca.uky.edu/snarl>.
